FACTS GOLF TOURNAMENT DRAWS BIG FIELD

Last Saturday at the Spanaway Golf Course 68 golfers turned out and teed up to help the FACTS Junior Golf Program. The weather was perfect for golf. The course was in good shape and the golfers played well. There were entries from Denver, San Francisco, Portland, Tacoma and Seattle.

Lee Cypress of San Francisco made the three par holes interesting by sponsoring two prizes on each hole.

Westlake Chevrolet sponsored a good used car for the low net prize.

Schoenfeld TV Mart sponsored a C.B. radio set for the low gross prize.

Jefferson and Jackson Pro Shops gave prizes along with the Coca-Cola Company.

The two top winners were Art Stanley of Seattle and Tacoma. Stanley won the car with a 64 net score and Allen won the C.B. radio with a 75 gross.

There were seven places in each flight. Jerry Gardner and Izetta Hatcher won first and second in the Ladies Division.

Tee & Turf

By Morgan Giles

We played our Club Championship this weekend at Capitol City Golf Course. We had perfect weather for golf, but I can't say the same for the players, including yours truly. There were too many little stakes with O.B. written on them. There was lots of hooking and slicing enough to last for a year. Some players had high scores, 90 and above, with 10 and 12 handicaps. Too bad, guys and gals. Now let's see who the real golfers were.

THE WINNERS FOR THE CHAMPIONSHIP

CHAMPIONSHIP FLIGHT: Jim Sam, 1st; Charles Murphy, second.
FIRST DIVISION: Ed Drummond, 1st; Walter Harris, 2nd;
SECOND DIVISION: Groves Sr., 1st; Oscar Burlison and Pete Galiteol tied for second.
THIRD DIVISION: Terry Burlison, 1st; Joe Williams, 2nd.
LADIES FLIGHT: Alean Cunningham, 1st; Mary Haralson, 2nd.

Congratulations to all of the winners. This is the last game that we play as a club this year, but I hope this doesn't keep us from getting together for some golf. So keep in touch, guys and girls. Watch for the news of our Banquet, coming soon. There will be a club meeting on the 15th of October. Will see all of you there, to elect new officers.

Madigan to Host Workshops

Madigan Army Medical Center will host a series of three workshops next month dealing with the problem of child sexual abuse and what treatment resources are available locally.

The series will be presented by the Pierce County Sexual Abuse Task Force under the sponsorship of the Panel for Family Living.

"Sexual abuse of children is a larger problem than most people would care to admit", says Tina Narr, executive director of the panel.

The workshops will be conducted from 9 a.m. to noon Nov. 1,8 and 15 in the Madigan medical auditorium and is open to both military and civilian professional people who are involved in the treatment of both victims and offenders.

"We would hope to alert professional people to the scope of the problem, give them an idea of what treatment resources are currently available in the Tacoma-Pierce County area and perhaps stimulate discussion of possible additional services", Ms. Narr said.

She identified professional people as those in law enforcement, the courts, social workers and physicians and nurses.

Lt. Col Daniel Lanier, chief of the social work service, said Madigan's participation as host for the series is a continuation of the center's policy of providing a meeting place for military and civilian professionals with common goals.

"Madigan's policy has always been one of close cooperation with the civilian community", the colonel said. "We would like to continue this relationship through seminars and workshops such as this."

The Nov. 1 session will feature a discussion of the dynamics of child sexual abuse, a definition of the problem and patterns seen in families, Ms. Narr said. Lucy Berliner from the Sexual Assault Team at Harborview Hospital in Seattle and Peter Coleman of the Pierce County Children's Protective Services' Sexual Abuse Treatment Program will be the featured speakers.

Nov. 8, the workshop will turn to a treatment approach with Dorothy Ross, the coordinator of and a parent participant in a Santa Clara, Calif., program. Ms. Ross represents the Child Sexual Abuse Treatment Program of the Santa Clara County Juvenile Probation Department, one of the first intensive therapy programs for families that have experienced child sexual abuse.

The final session, Nov. 15, will feature a panel discussion by representatives of several Pierce County agencies including law enforcement, the courts, the prosecutor's office and various non-governmental agencies.

Registration for the workshops closes Oct. 27 with each session limited to 120 persons. For additional information on registration and fees, contact Ms. Narr or workshop coordinator at the Panel for Family Living, 1115 S. 4th St., Tacoma.

INJUSTICE FOR ALL

Every so often we hear about welfare fraud. I wonder if the government is spending too much money to prosecute these people. I read recently that the government spent $500,000 in prosecuting some cases that involved a grand total of $212,000.

Now does that make sense? I wonder who these cheaters are: The woman who is provided with $200 a month to survive on? Or the woman who makes a little money extra and doesn't report it?

Welfare is designed to provide a limited income for food and rent. There is no provision in the welfare check for any of the essentials of life. Most states don't provide anything for clothing. I find that mid-America does not believe our poor children need shoes, sweaters and coats. Neither do they believe that the poor should have televisions or see a movie once in a while.

If justice in America is to mean anything, it must be applied equally. If the poor people are mashed on then the middle income tax cheaters should be checked on, for instance for reports of huge charitable contributions that often are used to cheat the government on tax returns. So it seems that there should be some getting off the case of the welfare recipients and getting on with the business of stopping those who steal millions. RIGHT ON!

Scouts Announce Fall Recruiting Plans

The Annual Fall Membership Campaign in the Tomawis District #1, Boy Scouts of America, will begin the month of October. Sixty five Scout Troops, Cub Packs and Explore Posts will be enrolling new members.

Called "All American Round-Up" the Tomawis District #1 expects to give an opportunity to 1500 boys to join the Boy Scouts of America, Don Klug, District Chairman says.

A boy may become a Scout when he is 11 years old or has completed the fifth grade Don said.

In addition to the boys who will join the existing Pakcs, Troops and Posts, Don said Tomawis District #1's organization and extention committee expects to organize about 14 new Packs, Troops, and Posts.

The Boy Scouts of America provides a program for boys and young adults that is designed to develop desirable qualities of character, to train in the responsibilities of participating citizenship, and to develop personal fitness, Don said. Cub Scouting is a family and home centered program, and Scouting is designed to achieve the BSA objectives primarily through a vigorous outdoor program.

Information about the Scout and Cub Scout programs is available from the Council Service Center, 1722 South Union Avenue, 752-7731.

McChord Base Tours

The ticket will admit the holder through the Main Gate (Bridgeport Way S.W.), where the individual will be instructed to drive to the Civilian Personnel Office parking lot (Building 773) and board an Air Force bus for the two-hour tour.

The tour will include a drive around the base and a visit to a C-141 Starlifter and a C-130 Hercules, both four engine cargo/personnel carriers. Flying officers will be available to conduct this portion of the tour and answer questions.

Plan for the Future

A plan for the future of Tacoma Community College will be developed by a special group of Tacoma-Pierce County citizens meeting for the first time Wednesday, October 27.

The Tacoma Community College Long Range Planning Commission will consist of 51 people from the surrounding community, nine faculty members, nine members of the classified staff, nine students and six administrators.

The first session, to be held in the campus theater, starts at 7:30 p.m.

TCC President Larry Stevens was authorized to form such a group by the college's Board of Trustees last April.

The commission will outline the next ten years of the college's development in all areas. Plans for physical, academic and community service growth will be evolved.

The first meeting of the commission will include an analysis of the state community college system, a clarification of the commission's tasks and the division of the group into three working sub-commissions.

The commission's final report is slated for completion by the middle of August 1977, at which time it will be presented to the TCC Board of Trustees.

Blessing to my Little People

WHAT IS BALANCE OF LIFE?

When a baby takes its first baby steps, its balance is not developed, so someone must hold him until he learns to balance himself. Then he walks with pride by himself in flesh. Therefore the hand that balances the flesh is one, and the hand that balances the spirit is another. For the balance to God is the hand of Jesus Christ, and the power of the Holy Ghost.

My little people, so that no one may blind you, there is only one Mantra between Heaven and Earth that can balance your spiritual life and that name has paid the price so that you pay no man for your Mantra which belongs to the world, and the word is Jesus Christ, the Light unto the world for its salvation.

Where can a man go after he had found the balance of life? To weight the balance of the flesh is one, but who can weigh the balance of the spirit? No man living but God alone has the last word. For men who have lived beyond the weight of the flesh have walked our Earth little people, and they were great men, moved by God, Apostle Paul, Abraham Lincoln, and in our own time, Martin Luther King Jr., a man who in my eyes has walked with the grace of God's faith and the power of the Holy Ghost, through Jesus Christ.

Yes, brothers and sisters, Martin Luther King has passed weight and balance of life, because he was the "light" unto his own, and the country knew that he moved under God's power, yet the bullet came as it has with all great men of our time. But their work must go on at all cost, so fear not him that kills the flesh and hold to him that gives everlasting life. My brothers, once more the movement of non-violence and the power of the Holy Ghost shall take their stand as one, in order for the cries of hunger to halt. Once more, we must unite as one Church under God. I would like to say also that hunger is the stepping stone to a carnal mind of crime against the state and country, and sin shall take its roots and bear fruits. But God shall have the last word.

So my little people, through prayer and grace of God my next issue will be my confession of "balance of life", and to come, a prayer of thanksgiving, to bring about our Father's balance of life.

Your Brothers in Christ,
Andrae and Raul Cavazos

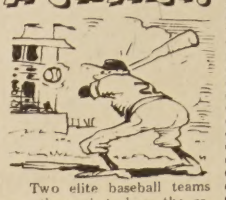
THE FACTS SPORTS SCENE

IT'S A FACT!



Two elite baseball teams are those that share the record for the most home runs in one season. The New York Giants of 1947 and the Cincinnati Reds of 1956 each played 155 games and hit 221 runs.

One elite team that can be joined today is the U.S. Marine Corps Reserve. Reservists train as Marines right from the start. They bear the proud title of U.S. Marines and get paid for one weekend a month and two weeks a year training and serving. Call, toll free, 800-423-2600, for free information.
